# How to Install your Feedlot Monitor Software

Please note: you may need Administrator privileges on your computer before beginning installation.

To install:

1. **Find the SETUP file on the flash drive or, after extracting all files from the downloaded .zip folder.**

Support	3/13/2017 3:18 ...	File Folder	
Feedlot_Monitor.CAB	3/13/2017 3:18 ...	Cabinet File	48,438 KB
setup.exe	2/23/2004 12:00...	Application	137 KB
SETUP.LST	3/13/2017 3:18 ...	LST File	9 KB

2. **Double 'click' this file to begin the installation.**

3. **Once installed, a help document will be placed on your computer. To get a quick start open this help document and go to Appendix A of this document and follow the steps outlined in this Appendix.**

Thank you for your interest in the Feedlot Monitor Software, v3.
